

Hinduism Topic - Year 4

Year 4 were excited to meet Indri on Friday 15th April who helped us launch our “Hinduism” topic by sharing his customs and beliefs with the children. He was engaging and fun and brought with him lots of resources to help us. Below are some quotes from the children of their favourite and most memorable parts of the day.

I liked it when we got our faces painted (even though it tickled a bit). I also liked the Hindu gods that we learned about – My favourite was Ganesh.” Elizabeth HB5

I really enjoyed learning about the musical instruments that are used in Hinduism – the sticks made a cool sound! Enzo HB6

I really enjoyed Hinduism day because I learned how to wrap a sari properly. It was tricky at first, but I persevered.” Aaliyah HB6

Having been to a Hindu wedding, I found this wedding really interesting and a bit different. You have to walk around the flame five times! Harsaa HB7

The henna painting was really fun and interesting. I also liked making the mask that represented Sita. Swinin HB5

I really enjoyed all the bright colours of the different outfits that everyone was wearing. I learnt 'Namaste' which means 'Greetings'. Jayson HB7
