

This Year's Student Voice - 2016-17

The children were introduced to the roles and responsibilities of the student voice in a PSHE session (please see Powerpoint Presentation below). All those who wished to put themselves forward for the role filled in a manifesto to explain what they thought was already good about Loughton School, what could be even better and what they would promise to do if they were elected". Each class then held a democratic vote to elect their Student Voice Representative. Out of the many applicants, the successful children who make up the committee are:
