We made it!

This academic year has been lovely. We have been able to have a full year with enrichment activities that the children have enjoyed. We have also been able to open our doors to you, our parents and carers, and share some of these experiences with you. Thank you for all the support you have given us this year and we look forward to seeing you again in September.

Goodbyes!

Sadly, we have to say goodbye to our lovely year 6 cohort. Over their time here, they have had to navigate some difficult situations, however they took them in their stride and showed real resilience. We are proud of them and wish them all the best for the future.

We also have to say goodbye to some staff members. The following staff are leaving us and we want to wish them all the best in their new jobs. They have been an amazing part of our team and we will miss them:

Miss Thomas, Mrs Furniss, Mrs Collins, Mrs Nicholls, Mrs Chamberlain and Mrs Wilson.

Mrs Laverick is also leaving us. She has been at the school since 2010 and has taken on a variety of different roles throughout her time here. She is finally giving up her crown of longest reigning member of teaching staff! We wish her all the best in the future.

Year 4 Multiplication Tables Check

2022/2023

Loughton School percentage of children scoring 25	Mean average score of Loughton School	National mean average score	National percentage of children scoring 25	Loughton School percentage of children scoring 20+
24% (29 children)	21.125	Unknown at the moment	Unknown at the moment	72% (87 children)

2021/2022

Loughton School percentage of children scoring 25	Mean average score of Loughton School	National mean average score	National percentage of children scoring 25	Loughton School percentage of children scoring 20+
30% (35 children)	20.25	19.8	27%	59% (69 children)

We are proud of the year 4 children who all had to sit the Multiplication Tables Check (MTC) assessments. The children took these in their stride and did extremely well. The table shows last year's results and this year's results. As you can see the number of children who gained 20+ has risen significantly.

Year 6 SATs data

Subject	Percentage of pupils achieving the expected standard	
	School	Nationally
Reading	72%	73%
SPaG	78%	72%
Maths	78%	73%
Writing	63%	71%
Science	78%	80%

We are also proud of our year 6 children who took their SATs this year. As you can see, we did well compared to national data.

We are particularly proud of our greater depth data this year in maths and reading. This shows how hard the children have worked since their KS1 tests.

Reading 36% GDS
Maths 41% GDS

Thank you to all the staff who have taught the children throughout their time at Loughton.
