

The Student Voice are running a competition to redesign our 'friendship bench'.

WHAT?

Two years ago, the Student Voice ordered and painted a new bench for our top playground and the 'friendship bench' was launched. Children sit there to indicate that they do not have anyone to play with and use it as a place to meet new children and establish meaningful friendships.

WHY?

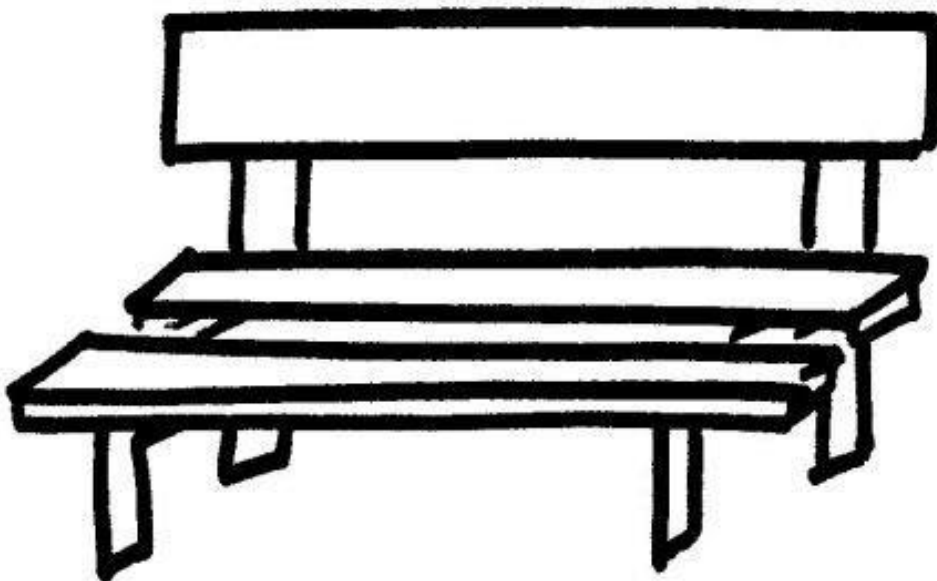

You may have noticed that the bench looks in need of a freshen up and so we would like YOU to contribute your ideas to its new design.

WHEN?

All competition entries need to be with your Student Voice representative by **Wednesday 3 May.**

HOW?

By using the template below, or a piece of plain paper, draw and colour your design idea. Give your designs to your Student Voice representative. The winning design will get the opportunity to repaint the friendship bench with Mrs Carter, Miss Frost and some members of the student voice later in the summer term.

'Friendship bench' ideas to share
