

Friendship Bench Winning Designs

We had nearly 100 entries for the friendship bench competition. Well done to everyone who took part and for all your efforts. A special mention should go to **Lucas A (HB3)** who made a 3D model of his design. The Student Voice met in early May to decide the winning design and runners up from each year group.

Well done to our runners up who were:

Year 3: **Eve P (HB2)**

Year 4: **Aarushi (HB5)**

Year 5: **Najma (HB10)**

Year 6: **Rhian, Hannah, Ruth, Humphrey and Mrudula (HB14)**

The top 3 winning designs are shown below. Miss Frost and Mrs Carter will decide which of these will get the chance to make their design become reality. The winner will get the opportunity to repaint the friendship bench with Mrs Carter, Miss Frost and some members of the student voice later in the summer term.
