

## Governor attendance at meetings

Attendance at Governors Meetings for the academic year  
September 2023 to July 2024

All governors should attend the Full Governing Body meetings. Some governors belong to more than one committee. All governors can attend committee meetings even if they don't belong to that committee and new governors are encouraged to attend all committees to start.

The Full governing body met 6 times this year, Resources and Environment committee 6 times and Teaching and Learning committee met 5 times (incorporated into FGB)
