

## By James T The golden daffodils

Once upon a time a young boy called Jack wandered through a spot of golden daffodils. As he wandered through ~~the spot he~~ ~~the~~ the daffodils he realised a river was hidden nearby. Soon ~~the~~ some bees appeared. Under the golden petals some bright green stems stood under each. Jack started to get doozy and fell asleep. Suddenly he woke up in a wonder land who ~~to~~ know what will happen.....
