18 January 2019

*Dear Andy,*

Key Stage 2 Results

I was delighted to learn from Nick Gibb, Minister of State for School Standards that your pupils have exceeded the expected standard in reading, writing and mathematics. It was very good to learn that 68% of pupils achieved the expected standard in 2017-18. This is a significant increase from the 59% who achieved the expected standard in 2016-17. The achievement is even more noteworthy when taking into account the national average increased from 61% to 64%.

Please pass on my thanks to the teachers for all the hard work they have put into achieving these results. I would also like to thank the pupils for their hard work but I assume they have all moved onto other schools having reached the end of Key Stage 2.

Please do circulate my congratulations to the governors and support staff as I know it is a team effort that makes a school a success.

I look forward to learning of further success at the end of this academic year.

*Yours sincerely,  
Iain Stewart*
