

At Wrap Around we aim to make your child's experience fun filled and exciting, whether you are just in for Breakfast Club or stay on for the After School sessions. We run from our purpose built area which is fully equipped with toys, craft materials and a fully fitted kitchen.

Each week we follow a different theme where the children get to learn and explore through play in all different areas of learning. We have access to the art room, school hall, trim trail and playgrounds which are all staffed by Loughton School employees. Activities include: painting, team games, role play and cooking, to name just a few!

So what are you waiting for? Come along and join the fun for Summer Term!

### Dinosaurs

#### During this theme we will be:

- Making clay fossils/footprints
