By Jamie SW and Louis P HB10

Coding club is a fun club to express how much you enjoy coding and get better at coding in a fun environment! The club is for Year 5 and run by Jamie SW and Louis. In the club you can either go with the planned sessions or you can do as you want with the weekly topic. We like to give lots of opportunities and we will do things like robotics. Mrs Ramsden works with the pupils that choose to do the planned sessions.

If you do want to be on the coding club waiting list please contact Jamie SW in HB10.
