**By the children.**

Love poem for the girl in sunglasses I saw in McDonalds.

Tell me now if I'm able to park myself at your table.

Tell me now give me a clue can I sit down next to you?

I like your hair, your smile, your eyes. I like the way you dip your fries. If love was a lock you would hold the keys, my heart feels like melted cheese. I have never felt so sweet, you make my heart Mc Skip a beat. My Happy meal I'll give to you. Come and share my burger for two.
