I hope you have all settled back into the school routine after a lovely break. The children have returned focused and ready to learn, which is great.

Email addresses

We changed our email addresses in September and they end with @loughton.school However, some parents are still trying to contact staff using the old addresses and are disappointed when they do not get a reply. Please make sure you use the correct email address when contacting staff in the future. A full list of addresses can be found on our website.

Uniform

Please ensure your child is wearing the correct school uniform. I have noticed a decrease in children wearing the correct uniform since we came back. Shoes should be black and sensible. PE uniform should be a plain white t-shirt or one with the school logo on (green). During the winter months, the children can wear black or navy tracksuit bottoms and a black or navy sweatshirt to keep them warm whilst outside.

Change of contact number

It is really important that you keep the office up-to-date when you change your contact number or to let us know if your mobile has broken. In the last two weeks, we have had some incidents where we have tried to contact parents for a medical emergency and not been able to get hold of them. This then causes distress to the child.
