WEEKLY QUIZ

Over the winter months, we have enjoyed various activities in the hall due to not accessing the outside area as frequently. The children have loved our weekly Wednesday Quiz and they have had lots of fun. They have enjoyed getting into teams and each week and the winning team have received a prize. Staff have encouraged the children to write their own quiz questions too resulting in some amazing quiz masters! It is extremely rewarding watching the children work together within their teams and I am sure they have learnt something new along the way. A question I will certainly remember was to guess my age and, although sometimes I feel old, I am not sure that a guess of 63 was one of my better days!

WRAP-AROUND CLOSURE

Please note that our Wrap-Around facility is closed for the foreseeable future due to the the latest government guidance is for all schools to close from Friday afternoon for an indefinite period. For those families who have pre-booked sessions which now fall during our school closure, we will hold on to any monies and your account will be in credit. You will be able to use these sessions once the school is re-opened.

Although we were hoping to host an end of term party, we have sadly not been able to make it to the last day of term. Once we return, we will arrange a suitable day. I would like to take this opportunity in wishing all the children a safe and happy time while at home with their parents/carers and siblings. I am sure this will only be a temporary measure and we will be back in no time.

TUCASI BOOKING SYSTEM

There will now be a 3 day cut off period instead of 7 days from the day of booking for your breakfast and after school club sessions. In the past some parents have not always met this deadline which means we have children at the end of the school day confused as to where they should be, or who will be collecting them.

We will only accept registered children for that day and can not hold on to anyone that is not registered for that day. To avoid this happening, it is Vital you book in advance. This not only enables us to meet the legal child to adult ratio, but also safely enable us to cater for your children adequately at snack time.

When booking your session please be sure that you tick the correct boxes as the registers are generated as a result of your requested days. Please be sure your account is pre-paid before trying to add days or it will not allow you to book. When booking for the afternoon sessions, you must tick the box marked ' A ', the ' L ' box is for office use only.

AVAILABILITY

We regularly have spaces for our morning sessions.

Our breakfast menu includes a selection of cereals, toast, fresh fruit and pastries, fueling your little people up with goodness for the day. Breakfast club opens at 7.30am to allow for those early risers and commuters.

Session prices are as followed:

Breakfast session £6.30

After School session £13.35

(Second and third child discounts are available)

THEMED ACTIVITIES

This term the children have participated in some fab activities and created some amazing artwork. We have covered a wide range of themes including Spring, Spring animals, Mary Poppins and Easter. Our main wall display has been covered with wonderful spring flowers, butterflies and spring animals. Nikita and some of the children have also created a fabulous piece of wall art which is displayed on one of the walls.

MENU

Recently I asked to children to write down some food ideas which they would like to see on the Wrap-Around menu. We had a varied response which included jacket potato, sausage pasta bake, chicken curry and even pulled pork. I am currently updating the menu which will come into place after the Easter holidays. Although it will still be classed as a snack, I will be introducing a more substantial plate of food for the children. There will still however be some favorites on the menu such as pizza, chicken burgers and hot dogs!
