

**A stand-out, immersive curriculum**

**trips and visits**

**vast school grounds**

**plentiful enrichment opportunities**

***Are you looking for a junior school place for your child in September 2021? We would love to welcome them to Loughton School.***

At Loughton, we celebrate a 'whole-child' approach to learning. We are always academically ambitious for our children, whatever their starting point, and we encourage each child to be ambitious, too. However, we recognise that SATs are just one week of their four years with us. We are really proud of our immersive curriculum which Ofsted recently commented "captures pupils' interests and imagination... enriched by interesting trips and visitors" and that "pupils enjoy coming to school because leaders have made it a good place to learn".

**The Sanctuary; a dedicated well-being space**

**designated music room, art room and library**
