**Loughton School's
Breakfast &
After School Club**

We know how important good quality childcare in a familiar setting is to many parents, that's why we only use Loughton School staff who are fully trained to a high level of professionalism.

We operate under existing school policies and procedures and can offer you and your child peace of mind before and after school.

What we offer

We will establish a calming yet playful environment within both of our breakfast and after school club sessions.

Each week the club will have a specific and exciting theme.

From this, a selection of activities will be made available.

These will range from board games, physical activities, arts and crafts, music appreciation, performing arts, cooking, life skills, role play and ICT all to stimulate the mind.

Cost and Hours

Breakfast Club operates between 7.30am and 8.45am

Cost per session is £6.30

After School club operates between 3:00pm and 6:00pm

Cost per session is £13.35

Both running Monday to Friday during school term time only.
(Second child discount of 10%)

Booking

Online bookings and payments can be made via our dedicated online Scopay system.

All bookings should be made 7 days in advance of service yet we are unable to issue refunds should your child be absent for any reason.

We also accept childcare vouchers from many different childcare providers.

Priority will be given to those booking Before and After School Club for a full week.

We recognise that just occasionally a need for emergency childcare may arise and will try to ensure that we accommodate this as far as possible.

Staffing

As a minimum we operate a 1:8 staffing ratio. All staff are trained in food hygiene, fire safety, first aid and safeguarding procedures. Please be assured that all staff are fully DBS Enhanced checked.

External School Provision

Walking buses from Loughton Manor First School and Glastonbury Thorn School will operate under the care of experienced staff.
(Glastonbury Thorn only during the morning session)

This facility will be for those children in years 1 and 2 who require it.

This service will be at no additional cost, yet must be booked online.

Evening Meal

We will provide a tasty and nutritious two-course light meal, prepared and cooked on site.

We will encourage the children to eat healthily and on some occasions they will be able to help prepare the food!

All meal menus are displayed on the parents' information board.

Please note, parents can drop/collect their children at any time within our day but breakfast is only served until 8.20am and the light meal at 4.30pm.
