

AUTUMN NEWS LETTER 2018

Welcome back and a warm welcome to all of our new children and parents here at Wrap Around. We hope you all have had a wonderful first term with your new teachers and friends and have enjoyed the activities that we have had to offer.

With lots of festive celebrations upon us this term we hope to explore All Things Winter, World Kindness and Movies, not to mention Christmas!! If you have any mind blowing ideas for an activity please inform a member of staff.

New fencing and gated system

As you all will have noticed the school has made some improvements over the summer period, one of these being the fencing. This has benefitted Wrap Around no end, as it now means we can use the front field on a daily basis, allowing the children to free flow indoors and out without having to be escorted around the premises by an adult. We hope to develop this area in the coming months and will be holding a children's meeting to gain your input!

Although the fencing does allow you to see your children on first instance, we do have to remind you that we do officially close at 6pm. The new electronic system will lock and close all doors and gates at 6pm, so please be mindful when making your collection not to be late. Unfortunately charges will be passed on to yourselves to cover the cost of having to keep staff within the building after this time.

We still have plenty of space for our morning sessions.

Our breakfast menu includes a selection of cereals, toast, fresh fruit and pastries, fuelling your little people up with goodness for the Breakfast club opens at 7.30am to allow for those early risers and commuters.

AUTUMN NEWS LETTER 2018

Tucasi booking system

Please remember that there is a **7 day cut off period** from the day of booking when booking in for your breakfast and after school club sessions. This still seems to be a problem for some parents and some children come 3.15pm are very confused as to where they should be, or who will be collecting them.

We will only accept registered children for that day and cannot 'hold on' to anyone that is not registered for that day.

So, booking in advance will always be needed for your child to attend Wrap Around care.

This not only enables us to meet the legal child to adult ratio, but also safely enables us to cater for your children adequately at snack time.

When booking your sessions please be sure that you are ticking the correct boxes as the registers are generated as a result of **your** requested days.

Please be sure your account is pre-paid before trying to add days or it will not allow you to book.

When booking for the afternoon sessions, you must tick the box marked 'A', the 'L' box is for office use only.

Spicy Autumn cookie making with Lisa

Friday 21st December

Although the end of Autumn term does seem a long way off, we are again interested to see if there is a need for care when school finishes early at 1.30pm on Friday 21st December.

If this is something you could benefit from to help out with childcare needs or just to grab that last minute present, please inform Steph or Lisa ASAP so we can start arranging for this special event.

New Food Menu

As a result of one of our children's meetings, the children have decided on a new food menu.

We try our best to incorporate a balanced and nutritious menu on a daily basis but we have given in to the fact that many children here at

Wrap-Around are very particular!

Listed below are the new items for this term:

Burgers in a bun with peas

Chilli con carne and tortilla chips

Lasagne and garlic bread

Fish fingers and diced potatoes

Tuna pasta bake
