

# Wrap-Around Summer term newsletter

## WELCOME BACK!

Welcome back to the last half term of the academic year. We were delighted when the latest easing of restrictions meant that we could operate Wrap-Around as one childcare bubble again. This is within the government guidelines for childcare settings and has allowed us to provide further activities and more of a free-flow approach in the setting. This update to the risk assessment is available on our website.

This half term we have got some fantastic plans to provide some new and exciting experiences for the children at Wrap-Around. We are sure that children will want to book into these sessions whether the parents need the childcare or not! Please read below for the dates of some upcoming special sessions.

If you have never booked your child in before but would like to or if you have any questions or queries related to Wrap-Around, please do contact me.

## MENU

At breakfast time, we have reintroduced our full range of foods so that children are no longer only having individually packaged items. Toast has once again become a firm favorite.

A warm, healthy and nutritious light meal at Wrap-Around is served to all children who book on to our after-school sessions. Meals range from fish fingers to jacket potatoes to stir fry. There are always vegetarian options available and the meals will always include vegetable sticks or a piece of fruit.

As always, the current menu can be viewed on our website [here](#).

## TUCASI BOOKING SYSTEM

As always, there is a 3-day cut off period in place for booking your breakfast and after-school club sessions.

**Session prices are as followed:**

**Breakfast session £6.30**

**After-school session £13.35**

*(Second and third child discounts are available)*

## \*NEW\* ACTIVITIES

**Breakfast club:** As part of our breakfast club sessions, there are a choice of free-flow calm and active sessions the children can take part in. Heather has now begun a competitive daily Lego building challenge whilst Gary is becoming a pro at 'four-square'!

**After-school club:** After successfully reintroducing outdoor learning sessions in year 4 during the first half of the summer term, we are delighted to now be offering these at Wrap-Around after-school club every Monday and Tuesday for the final half term of the year.

These outdoor activity sessions will be led by Mrs Furniss. They develop confidence and self-esteem through learner inspired, hands-on experiences in a natural setting. There is no additional charge for these sessions as it is included in the regular after school club prices.

## SPECIAL SESSIONS!

We have some special events coming up at after-school club this half term that the children will not want to miss!
