**Swimming**

<b>Meeting National Curriculum requirements for swimming and water safety</b>	<b>Percentage of children</b>
What percentage of your current year 6 cohort swim competently, confidently and proficiently over a distance of at least 25m?	Due to lockdown we did not collect the data with the children.
What percentage of your current year 6 cohort use a range of strokes effectively (for example front crawl, backstroke and breast stroke)?	As above
What percentage of your current year 6 cohort perform safe self-rescue in different water-based situations?	AS above

<b>Key indicator 1: The engagement of all pupils in regular physical activity</b>				
School focus with clarity on intended impact on children	Actions to achieve	Funding allocated/spent	Evidence and impact	Sustainability and suggested next steps
Swimming lessons for year 4 and year 3 children who cannot swim more than 5 metres.	More children being able to swim 25m by the end of year 6	£988.28	More children are getting 25m Some of our SEND children are benefitting from this and are becoming more active	

<b>Key indicator 2: The profile of PE and sport being raised across the school as a tool for whole school improvement</b>				
School focus with clarity on intended impact on children	Actions to achieve	Funding allocated/spent	Evidence and impact	Sustainability and suggested next steps
Promote how important a healthy and active lifestyle is during lockdown	Use Urban Strides dance sessions to get the children active	£400	It was used by a lot of children who were at home in lockdown.  The key worker children in school also used the videos as their PE lessons during the week.	

<b>Key indicator 3: Increased confidence, knowledge and skills in teaching PE and sport</b>				
School focus with clarity on intended impact on children	Actions to achieve	Funding allocated/spent	Evidence and impact	Sustainability and suggested next steps
Equipment is of a high standard	Equipment needs to be moved to outside sheds.	£169.13	The children could continue with normal PE lessons as a	

	Racking needs to be installed to make it accessible. A full order needs to be completed based on the planning we use		result of having the right equipment	
High quality planning is in place to support the delivery of PE from non-specialists  Assessments that link to the planning we use (next step from last year's grant review).	Provide high quality planning that non-specialist teachers can use.  For staff to gain in confidence teaching PE/games.  Staff to trial using the assessments in lessons.	£395	Staff who have used the planning have commented on how easy they find it to follow.  Staff have benefitted from using the videos that come with the planning to show children demonstrations of a skill they are not confident in showing.  Joe is beginning to show staff how to use the assessments linked to the planning	
Safeguarding children when injuries occur during PE lessons and fixtures	So staff who teach PE and take the children to fixtures can administer First Aid straight away to the children keeping them safe	£450.00	Staff who took part in the training are now confident to administer first aid if a child requires it. Our Health and Safety policy states that there should always be one trained member of staff in school – this also applies to fixtures outside of school.	

Key indicator 4: Broader experience of a range of sports and activities offered to all children				
School focus with clarity on intended impact on children	Actions to achieve	Funding allocated/spent	Evidence and impact	Sustainability and suggested next steps
<p>OAA days with year 3 &amp; 4</p> <p>OAA day for the year 5 &amp; 6 children who could not go on the residentials.
